# Uyio Al Beta Testing Checklist

Welcome, early tester! Thank you for helping us improve Uyio Al. This checklist will guide you through testing the app and providing valuable feedback.

Time needed: 15-20 minutes

What to test on: Desktop + Mobile (if possible)

## Testing Instructions

How to Use This Checklist:

- 1. Go through each section in order
- 2. Check V if it works well
- 3. Check △ if there's an issue
- 4. Add notes about what you experienced
- 5. Fill out the feedback form at the end

## FIRST IMPRESSION & SIGNUP

Landing Page (Not Signed In)

- Landing page loads quickly
- Call-to-action buttons are clear
- "Start Free Practice" button is visible

#### Notes:

What was your first impression?

## Sign Up Flow

- Clicked "Get Started" or "Sign Up"
- Received magic link email within 1 minute
- Magic link opened the app successfully
- Onboarding asked for: Display name, Goal, Practice length

## Issues?

Did anything feel confusing or broken?

## DASHBOARD EXPERIENCE

## After Signing In

- Dashboard shows personalized greeting with your name
- Stats show: Total Sessions, Current Streak, Average Score, Best Score
- Today's Challenge" card is visible
- \( \subseteq \text{"Quick Practice" card is visible} \)
- Recent Sessions" section is visible (empty at first)

#### **First Impression:**

Does the dashboard feel welcoming and clear?

## DAILY CHALLENGE FLOW

## Try Today's Challenge

- Clicked "Try Today's Challenge" button
- Scenario loaded with clear instructions
- Record button is visible and large
- Clicked record button successfully

## **Recording Experience**

- Timer started counting down
- Could see time remaining
- Audio was recording (checked browser permissions)
- Stopped recording before time ran out OR let it auto-stop

#### **Recording Notes:**

Did recording feel smooth? Any issues?

## After Recording

- Saw "Transcribing..." status
- Saw "Analyzing..." status
- Got feedback within 30-60 seconds
- Feedback page showed:

<ul> <li>Overall score (big number)</li> <li>Individual scores (Clarity, Confidence, Logic, Pacing, Fillers)</li> <li>Al coach summary</li> <li>Personalized coaching tips</li> <li>Audio playback</li> <li>Transcript of what you said</li> </ul> Feedback Quality:
Did the AI feedback feel accurate and helpful?
Return to Dashboard
<ul> <li>Clicked "Back to Practice" or navigated to Dashboard</li> <li>□ Dashboard now shows "Challenge Complete! ▼ "</li> <li>□ Stats updated (Total Sessions = 1, Streak = 1 day)</li> <li>□ Recent Sessions shows your completed practice</li> </ul>
Daily Challenge Behavior:
Did you see "Challenge Complete" state? Could you attempt it again?
4 QUICK PRACTICE FLOW
Custom Practice
<ul> <li>Clicked "Start Practice" from Quick Practice card</li> <li>Got a different scenario than daily challenge</li> <li>Could click "Get a different scenario" to change it</li> <li>Completed a full practice session</li> </ul> Quick Practice Notes:
Did this feel different from daily challenge?

# **5** PROGRESS PAGE

## **View Your Progress**

- Clicked "Progress" in navigation
- Stats cards show your practice data
- Overview" tab shows metric breakdown (Clarity, Confidence, etc.)
- Can see your completed sessions

#### **Progress Tracking:**

Does progress feel motivating? What would you add?

## **SETTINGS PAGE**

## **Update Your Profile**

- ☐ Clicked your profile icon → Settings
- Could see current Display Name, Primary Goal, Practice Length
- Changed your primary goal
- Saved changes successfully

### **Settings Notes:**

Was this easy to find and use?

## MOBILE EXPERIENCE (If Testing on Phone)

## Mobile-Specific Testing

- Logged in successfully on mobile
- Dashboard layout looks good on small screen
- Navigation menu works (hamburger menu)
- Recording works on mobile
- Audio playback works on mobile
- All text is readable (not too small)

## **Mobile Issues:**

Any mobile-specific problems?

8	<b>GUEST</b>	MODE	(Optiona	ľ
---	--------------	------	----------	---

Test	With	nout	Siar	nina	U	b
			O.9.		_	~

- Signed out (or opened in incognito)
- Clicked "Start Free Practice" from homepage
- Completed a guest practice session
- Got basic feedback (overall score only)
- Saw prompts to sign up for full features
- Guest limit shows "X of 3 sessions used today"

## **Guest Experience:**

Would this convince you to sign up?

## BUGS & ISSUES

Did You Encounter Any Problems?

Critical Bugs (App broken, can't proceed):

Describe what happened:

Minor Bugs (Annoying but not blocking):

Small issues you noticed:

#### **Performance Issues:**

- Pages load slowly (which pages?)
- 🗌 Audio upload/transcription takes too long
- App crashes or freezes

## Notes:

10 OVERALL FEEDBACK
What You Loved 💗
What features or aspects impressed you?
What Needs Improvement **
What felt confusing, frustrating, or missing?
Comparison to Competitors
Have you used similar apps (Yoodli, Orai, etc.)? How does Uyio AI compare?
Would You Use This?
<ul> <li>Yes, I'd use this regularly</li> <li>Maybe, with some improvements</li> <li>No, not interested</li> </ul>
Why?

## Who Would Benefit Most?

What type of user would love this app?

# ■ QUICK RATINGS (1-5 stars)

Rate your experience:

- Ease of Use: ☆ ☆ ☆ ☆ ☆ (circle your rating)
- Design & UI: ☆ ☆ ☆ ☆ ☆

## **BONUS QUESTIONS**

## **Feature Requests**

What features would make you use this daily?

## **Pricing Expectations**

If this were a paid app, what would you pay monthly?

\$\_\_\_\_ per month

What features would justify that price?

## One Thing to Change

If you could change ONE thing right now, what would it be?

## SUBMIT YOUR FEEDBACK

How to Send This Back:

- 1. Email: Send to ntaetim@yahoo.com
- 2. Google Form: [Insert link to Google Form]
- 3. Loom Video: Record a screen share walking through your experience

Your Contact Info (Optional):

- Name

• Can we follow up? Yes [] No

## THANK YOU!

Your feedback is incredibly valuable and will directly shape the future of Uyio Al.

## What happens next?
